

How can we build a positive future for Stoke Newington?

Transition Town Stoke Newington invites you to participate in exploring how at a free Open Space forum:

May 15th, Stoke Newington Library Hall
 (Edwards Lane, just off Church Street)
10:30am - 4:30pm

- * Learn about and contribute to positive change in Stoke Newington
- * Talk about your concerns and hear those of your community
- * Find out about projects going on around you or promote your own
- * Connect with other socially minded people to make a difference
- * Share ideas, inspiration, resources and skills

To find out more and sign up for the event please visit:

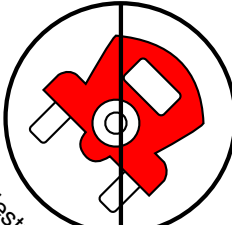

www.ttstokenewington.org.uk

Please come for the event opening and stay all day if you are able. A follow-up event will be held at Pangea Project, Sunday 16th, 2-4pm.

Transition is an international movement that aims to inspire and support communities in the transition from oil dependency to relocalised economies.

Transition Town Stoke Newington believes that a Stoke Newington which is less dependent on fossil fuels and less destructive to the environment is not only possible but that it can be a place that is more abundant and fulfilling to live in.

For queries about this event please email events@ttstokenewington.org.uk or telephone 07968007854
